PERSONAL STATEMENT

A digital designer focused in interactive experiences, always fascinated by technology and how people engage with it. Looking to create new worlds and environments that challenge how we experience the real world around us.

WORK EXPERIENCE

North Kingdom Design Intern

Working on a range of interactive experiences, creating 2D/3D animations and workflows for projects, designing visual experiences and exploring content for newer technologies.
Venice, CA. June 2018-September 2018.

CNN Motion Graphics Intern

Working as a member of the Motion Graphics team, assisting with 2D + 3D animations for explainer videos, original series', and online content.
Manhattan, NY. Winter/Spring 2018.

Motion Design Intern at 1stAveMachine

Worked on commercial productions for clients such as Coca-Cola, eBay, State Farm, and Samsung. Assisted in the developmental stages for a VR videogame prototype.
Brooklyn, NY. Summer of 2017.

The Multi Design Conference

Involved in the organization and development of a student-run design conference, where creatives speak to students and collaborative events are hosted.
Fall 2015 - Spring 2017.
